## THE BINDER THAT NEVER FAILS

The Massey-Harris Binder takes all the worry out of harvesting, for its owner knows that no matter in what shape the grain may be his "MASSEY-HARRIS" will handle it and get it all. Years of actual work in the field have proven that for heavy crops, or down and tangled grain there's nothing to beat the Massey-Harris Binder. Thousands of farmers now look forward with happy and easy minds to harvest, in contrast to the old-time anxiety that accompanies uncertainty, because with a Massey-Harris Binder they take no chances—it gets all that grows.

Trussed and re-inforced at every supporting point, it is unsurpassed for strength and permanence.

The Reel can be set in seventy different positions, from sweeping the Guards to 31 in. above the knife, all positions being obtained

through one lever which is within easy reach of the driver. An adjustable reel brace prevents the reel from sagging. The **Outside Reel Support** which is a help when cutting light, short crops, can be removed when found desirable to do so.

## Measurement

11. Horses and Ponies shall be measured by such persons as the Executive Committee appoints, in the shoes in which such horses and ponies came on the premises of the Association, and such measurement shall be taken as correct, unless the Judge of the event in which such horses or ponies are entered shall direct re-measurements to be made by some veterinarian appointed by the Executive Committee, and if the result of such re-measurement shows that such horses or ponies were not qualified for entry in the event in which the same had been entered, then such Exhibitor and such horses and ponies shall not be entitled to any award; provided that the above disqualification shall not apply to cases where only one horse or pony of a pair shown or exhibited in a subdivision of a horse or pony event does not exceed half an inch over the height prescribed by the published conditions for such subdivided event, in which such pair is entered, but this proviso shall not qualify any horse or pony that is not within the qualifications prescribed hereby or by such published conditions, for any single harness horse or pony event for which said horse or pony is not properly qualified.

## Duties of Exhibitors

12. No animal or exhibitor shall be decorated with medals or prize ribbons until after the awards have been made in the respective events in which such animal is shown or exhibited.

13. Every exhibitor shall, either by himself or by some person appointed by him in his place, be in charge of any animal shown or exhibited by such exhibitor in any event, and such exhibitor or such appointed person shall be in attendance, neatly and properly dressed, accompanied by the animal to be shown or exhibited, at the place appointed by the Directors for the event in which such animal is to be exhibited or shown, at least thirty minutes before the time appointed by the Manager for the holding of such event.

## Authority of Officials

14. The Directors shall be at liberty for cause, or in their uncontrolled discretion, and without giving any reason therefor, to bar any exhibitor and any animal from participating in, or continuing to participate or compete in, any event; and also cause any such exhibitor and any such animal to be removed from off the premises of the Association.

15. Every animal shall be produced by the exhibitor thereof at such times and at such places, and for such purposes, and shown or exhibited for such time and in such manner as the Manager or Judge of the event in which such animal is entered shall direct, and any refusal of such exhibitor to obey any such directions shall be construed as cause for such Manager or Judge to exercise the like powers which are hereby vested in such Manager or Judge as are vested in the Directors by Clause 14 hereof.

16. Every animal entered or offered for entry in any event shall be subject to such examinations at such times and places and by such veterinarians as the Manager appoints.

17. Where the total number of exhibitors in any event is less than three the Executive Committee shall be at liberty to amalgamate such event with any other event of the like character; and where there is only one exhibitor in an event, or where the Judge is of the opinion that the animals exhibited do not justify an award, such Judge may withhold the awarding of any award for the same.

18. The Judge of any event may, if he deems it necessary, in order to make an award, ride or drive any horse or pony being shown or exhibited in such event, and such Judge may, if of the opinion that any horse or pony being shown or exhibited is not sufficiently under control, bar such horse or pony from further showing in such or any other event.

## Fraudulent Practice

19. If any exhibitor be guilty of any fraudulent practice or shall conspire with another person for the commission of, or shall connive with any other person for the commission of, any corrupt or fraudulent practice in relation to any event, or shall show or exhibit an animal not properly entered, or shall administer or cause to be administered a drug or stimulant internally or by hypodermic method, prior to or during any event, or who shall use or cause to be used appliances, electrical or mechanical, other than the ordinary whip or spur during any event, shall be disqualified by the Judge from further participating in the event in which such offence occurs, and such Judge may also exercise all the powers given to a Judge under Clause 15 hereof.

20. Any exhibitor who shall at any time or at any place attempt to interfere with or influence any Judge or any official of any event or of the Association, or who shall at any time on the premises of the Association be intoxicated or use improper language to any such Judge or official, or to any of the public resorting to such premises, or refuses to accept any award made by a Judge shall, at the discretion of the Manager, forfeit any award already made to him, and the Manager may, with like discretion, exercise all the powers given to the Directors under Clause 14 hereof.

# *Why Boys Leave The Farm*

WHEN BOYS GROW UP IN A HOME THAT HAS  
NOT ALTERED SINCE THEIR BABYHOOD, THEY  
SEEK A CHANGE

Mr. Farmer, it is your duty to keep your boys on the  
farm—Canada Needs Farm Produce.

Your first aid is to brighten up the home; make it  
attractive, one in which each member of the family  
takes pride. Install Furniture that is both comfort-  
able and attractive. Put a few draperies on the win-  
dows—they are very cheerful and comforting.

We have a large stock of this carefully selected, at-  
tractive, home-making furniture, and we invite you  
to come and talk it over.

Please Make Full Use of our Rest  
Rooms—one in our store while wait-

### Percheron Society of America Specials for year 1919

At the larger Canadian shows recognized by the Canadian Percheron Horse Breeders' Association, in 1919, the Percheron Society of America offers the following special premiums to be competed for by the exhibitors of this show.

243. Special ribbons will be awarded to the three American bred horses, either bred in the United States or in Canada that stand highest in their respective open classes, any age, both sexes.

Example:—If the first, third and fourth prize aged stallions in the open class are American bred, that is bred in the United States or Canada, and the second and third prize horses are imported from France, the three special ribbons given by the Percheron Society of America will go to the first, third and fourth prize stallions in the open class because they are American bred. The same arrangement applies to all the other classes where individual animals are shown except for Championships. Animals imported in dam from France are considered as imported animals.

244. Special ribbons will be awarded in the Championship classes and where the exhibitor is not the breeder of the animal that is awarded championship, either stallion or mare, a sterling silver medal will be properly engraved and sent to the breeder of that animal. In case the exhibitor of the champion animal either stallion or mare is the breeder of said animal, a sterling silver trophy will be awarded to said breeder-exhibitor, but only one such trophy will be awarded on one animal in one season regardless of how many fair championships said animal may win.

245. A full report of the awards in the Percheron classes will be published in the next Percheron Review. A copy of such annual Review is furnished to every member of the Percheron Society of America, to all agricultural colleges and newspapers and to new men interested in the purchase of Percherons. This official publication is of very great advertising value to every fair thus recognized and to all Percheron exhibitors participating in such shows.

Conditions.—All animals competing for above prizes must be recorded in the Canadian Percheron Horse Breeders' Association and exhibitors must have established their ownership to the satisfaction of the Canadian fair where exhibited. Unrecorded colts are not eligible to compete for these special prizes unless the exhibitor furnishes the Secretary of the Fair with the names and recorded number of sire and dam of each such colt, together with the foaling date, and unless the exhibitor files with the Canadian Percheron Horse Breeders' Association application to register such colts within ten days after the close of the Fair. All animals competing must be regularly entered on the books of

the Secretary of the Fair when the horses are shown, and the correct name and number of each animal given. No trophies or medals will be sent forward until this information is received in proper form by the Percheron Society of America in regular award books furnished by the Society, and names and numbers of animals found correct according to the records of the office of the Canadian Percheron Stud Book. When full information is received at the office of the Percheron Society, the medals and trophies will be properly engraved and forwarded to the winners. Recognition by and special prizes of the Percheron Society of America will not be granted to any fair that does not provide a separate classification for Percherons, to which horses of other breeds are not admitted. No fair may expect recognition by the Percheron Society the following year that does not, within ten days after the close of the fair, make a full report to the Percheron Society of the open classes as well as the special classes, giving names and recorded numbers of all animals. Failure on the part of any fair to furnish this report in full promptly prevents the winnings of that show from being published in our annual Percheron Review. Exhibitors are urged to make certain that all of their animals are recorded and properly transferred on the records of the Canadian Percheron Stud Book before being shown; that the Secretary of the Fair is furnished with the names and registered numbers of the animals exhibited and that a correct record is made by the Secretary or his assistants of the Percheron winnings in the ring at the time the animals are shown.

## **HOW MANY CANS OF CREAM PER WEEK**

Would pay your store bill and other running expenses and leave the crop clear of debt?

### **Figure It Out For Yourself**

Last year we paid to thousands of farmers an average of \$10.07 for an 8-gallon can of cream. This year the average will go higher. How many of these would pay your expenses?

Hail storms and frost and such things do not affect the cream crop. It is a sure thing. That is why Dairy Farmers are universally the wealthiest.

If you are not already a Woodland patron, ship us your cream this year, and get spot cash and a square deal.

THEY OUGHT TO BE—IT DOESN'T COST ANY

We know what's right for the man of 20 and the

### **DEPARTMENT FOURTEEN**

#### **Application and Allotment of Space**

For the exhibit of all classes of manufactures, application for space should be made as early as possible.

In the allotment of space, the Manager reserves the right to place exhibits in any Department to which, in his opinion, they properly belong.

#### **Preparation of Exhibits**

Exhibitors are respectfully notified that Saturday, July 5th is Preparation Day. All goods must be in position not later than Saturday night, so as to be ready for the opening on Monday morning, July 7th.

#### **Extent and Character of Exhibits**

Where space has been awarded to any exhibitor the Manager or Director in charge reserves the right, in case any exhibitor shall fail to have his exhibit placed by the proper time or shall fail to make or maintain a creditable display, to declare the space allotted to him, or any portion thereof, forfeited.

The Manager reserves the right to prescribe the dimensions and regulate the position of all signs, and generally to direct the management of articles on exhibition, so far as the same may be necessary to secure harmony and an attractive appearance.

#### **General Rules and Regulations**

Every facility will be afforded for the transaction of business by taking orders, but no delivery of articles sold can be made on the premises during the Exhibition, except by special arrangement.

Exhibitors will not be allowed to distribute hand-bills or other advertisements about the grounds or buildings. Advertising matter must be distributed from the space where the exhibit is installed. Neat cards for this purpose are recommended, as they are more likely to be kept by the visitors and not thrown to the ground.

Any exhibitor, concessionaire or attendant making unseemly noises or otherwise calling the attention of visitors to his exhibits in a way that may be considered by the Board of Directors unseemly or a nuisance, shall be liable to forfeit his space and all privileges as an exhibitor or concessionaire, if the Board of Directors or Manager so determine.

Any exhibitor guilty of distributing advertising cards or notices, either personally or by agent, that may be considered immoral or objectionable by the Board of Directors or Manager, shall forfeit his or her space, and all privileges as exhibitors.

If space allotted is accepted and exhibit not installed, any money paid for same will be forfeited.

All decorations made by exhibitors will be subject to the approval of the Director in charge, or the Manager of the building, both as to character and material used.

How and where to make application for Light, Power or Phone, see Concession Department 15.

The necessary exhibitors' and attendants' tickets, non-transferrable, may be purchased at the office upon the grounds. Price \$2.00 each.

Positively no smoking will be allowed in any building.

# CONCESSIONS AND PRIVILEGES

## DEPARTMENT FIFTEEN

S. G. Steward, Superintendent

Address all communications to W. J. Stark, Manager, Box 216, Edmonton.

### Regulations

The Board of Directors and Superintendent of Concessions will use every precaution to guard against extortion in any form practiced upon the patrons of the Fair. Any extortion practiced by a concessionaire will cause the forfeiture of contract money paid, or expulsion from the grounds, or both, as the management or Superintendent may direct.

The Board of Directors authorizes the letting of only such privileges or concessions as are required to supply the necessary wants of the people or that may add to their comfort, convenience and pleasure; but under no circumstances will privileges of a questionable nature or of a demoralizing tendency be let or in any manner tolerated upon the grounds or in the buildings; nor will any privilege be permitted where the business is conducted in other than a legitimate manner.

All dining halls, lunch booths, refreshment pavilions or other stands must be substantial in structure and neat in appearance. They must be supplied with and sell only good, wholesome food and honest goods, at reasonable prices.

All concessionaires shall cause to be posted in a conspicuous manner, at the front or entrances to place of business a sign showing the price to be charged for meals, lunches, other articles of food offered for sale, or services performed. They shall also keep displayed in plain view of the public their concession contract and number, which will be furnished by the superintendent.

All ground leases or space contracts, unless otherwise specified, will expire with the close of the Fair each year, and all temporary buildings, frames, booths, etc., must be removed prior to July 30th following; otherwise they will become the property of the Exhibition.

Purchasers of concessions must keep their spaces in a sanitary condition, by removing therefrom any filth and refuse, placing the same in the garbage can. All empty ice cream packing cases and cans must be removed from place of business and not left on walk or street, or in front of stand. Emptying salt water from the ice cream packing cases is strictly prohibited.

Concessionaires must not throw any refuse, or empty any water, or other fluids in the streets and gutters. The first violation of this rule may cause concession to be closed and the forfeiture of all fees paid.

Each concessionaire must confine himself to the space assigned. Failure to do so will subject him to forfeiture of his privilege, without reimbursement.

Concessionaires and their help must be neat and tidy in their dress. Persons found working at any privilege not complying with this section may be ordered off the grounds.

A violation of any of the terms and stipulations of the privilege contract, shall cause the full amount of contract to become due, and work a revocation and forfeiture of all rights and privileges therein granted to the lessee, in which event all sums paid or contracted to be paid, shall become the property of the lessor as liquidated damages for said breach. The lessor shall have a lien upon all property being kept, used

or situated upon leased premises on Exhibition grounds whether such property be exempt or not, for any unpaid rents, and any damages sustained by breach of contract by said lessee. The lessor shall have the right to distrain such property without process of law and appropriate said property to the use of said lessor to satisfy all claims.

Privileges of soliciting orders for and delivering articles of food, tobacco, soft drinks, or other articles of merchandise, to restaurants, refreshment stands, or exhibits upon the Exhibition grounds must be obtained from the Concessions Department.

All deliveries by vehicle of food, soft drinks, tobacco, or other articles of merchandise must be made prior to 10 o'clock a.m. each day of the Fair, except in case of emergency deliveries.

## **SOLICITING SUBSCRIPTIONS**

Application must be made to the Superintendent in charge of the Concession, prior to the opening of the Fair; which request must contain the name of the publisher or manager, privilege desired and names of solicitors, who have been continuously in the employ of the publication for a reasonable time prior to the Fair.

Not more than one headquarters or space will be assigned for said purpose to any one paper, and solicitors must confine their operations to the space assigned.

The use of any article of merchandise, animal or tickets for drawing, either for sale, or as a gift or inducement to influence subscriptions, is positively prohibited, and the use of same will be declared a misdemeanor and punished according to law.

All solicitors must purchase tickets of admission.

The management reserves the right to exclude from the grounds, any person or persons whom they may deem undesirable, or expel from the grounds such person or persons who shall violate any part of this rule.

## **Police**

A day and night police force is maintained, but the Fair will not be responsible for losses or damage to property.

## **Reservations**

Privileges and spaces upon which suitable deposits have been made will be reserved only until Monday, July 7th, 10 o'clock a.m.

## **Deposit**

A deposit of one-third of the rental will be required when permit is granted and space reserved.

## **Tickets**

All tickets must be secured from the Superintendent of this Department.

## **Water**

City water furnished free at established faucets. No new lines will be run.

## **ELECTRIC LIGHT AND POWER**

Price of Concession does not include light or power service.

### **Application for Service**

This Department is in charge of the City Electric Light and Power Department, whose temporary office is directly under the Grandstand in Booth No. 2. All applications for service must be made to the Supervisor in charge.

### **Electric Wiring**

The City Electric Light and Power Department will make the connection from the pole to the building, shack or tent.

All other work to be done by the concessionaire or by any contracting firm doing business on the ground.

### **Wiring Contractors**

Wiring contractors are not allowed to connect up any service to the line wires, or to collect money for electric current, or make any promise to obtain such service.

Any charges for work that concessionaire may consider excessive, shall be adjusted by the Supervisor in charge of the City Light and Power Department at the Fair grounds, whose ruling must be accepted by both parties.

### **Payments**

All payments for electric light or power service shall be made only to the authorized representative of the City Electric Light Department, who will show his official badge upon request.

An official receipt will be issued for all payments and only this official receipt will be recognized.

### **When Due**

All payments for Electric Light and Power Service shall become due immediately upon connection of such service.

### **Rates**

Flat rate charges for Exhibition week.

### **Lighting**

One dollar (\$1.00) for the first two hundred (200) watts (or less) connected load.

Fifteen cents (15c.) for each additional twenty-five (25) watts.

Minimum connection one dollar (\$1.00).

### **Heating, Stoves, Motors, Etc.**

Two dollars (\$2.00) for the first one (or less) kilowatt (1000 watts) connected load. One dollar for each additional kilowatt (1000 watts) or fraction thereof.

Minimum connection, two dollars (\$2.00).

## **TELEPHONES**

All applications for Telephones have to be made at the Central Telephone Office, 10180 100th Street, Telephone No. 9231.

Telephones for business purposes during Exhibition period are rented on a short term basis at \$7.00 each. The installation fee is \$2.00.

Those requiring telephone service at the grounds should make application at least four days previous to the time service is required.

The above charge, \$9.00, covers the cost of either wall or desk telephone. It is suggested however that the wall type is more satisfactory due to its fixed position.

All telephones must be placed in positions where they are not accessible to the general public as Pay Telephones are installed around the grounds for public use.

# ATTRACTIONS AND SPECIAL FEATURES

Supervisor: Charles Ross

## DEPARTMENT SIXTEEN

### PROGRAMME OF ATTRACTIONS

The Management of the Edmonton Exhibition Association has put forth every effort to make the Victory Year Exhibition an event in keeping with these gladsome times; the war is over, victory has crowned with success the efforts of our boys to make the world a healthy and sane place to live in. Many of our valiant boys will never come back; many have returned crippled in body—and all who have come back, have brought with them higher ideals and aspirations—they want better methods in business, in education, in recreation—in the “business of living” generally. The Edmonton Exhibition management, recognizing this, and also with the hope of making a real holiday for those who have done their share in bearing the hardships of the past four years at home, has endeavored to make the coming summer Fair stand for the highest and best in Art, Amusement, and Music. The platform acts which have been engaged are the best which can be secured; the idea has been to get the highest in quality, rather than the “most acts for the money.” With Sousa’s Band, the horse and auto races, and other features now in contemplation, the grand-stand programme will be the best ever offered to summer Fair visitors.

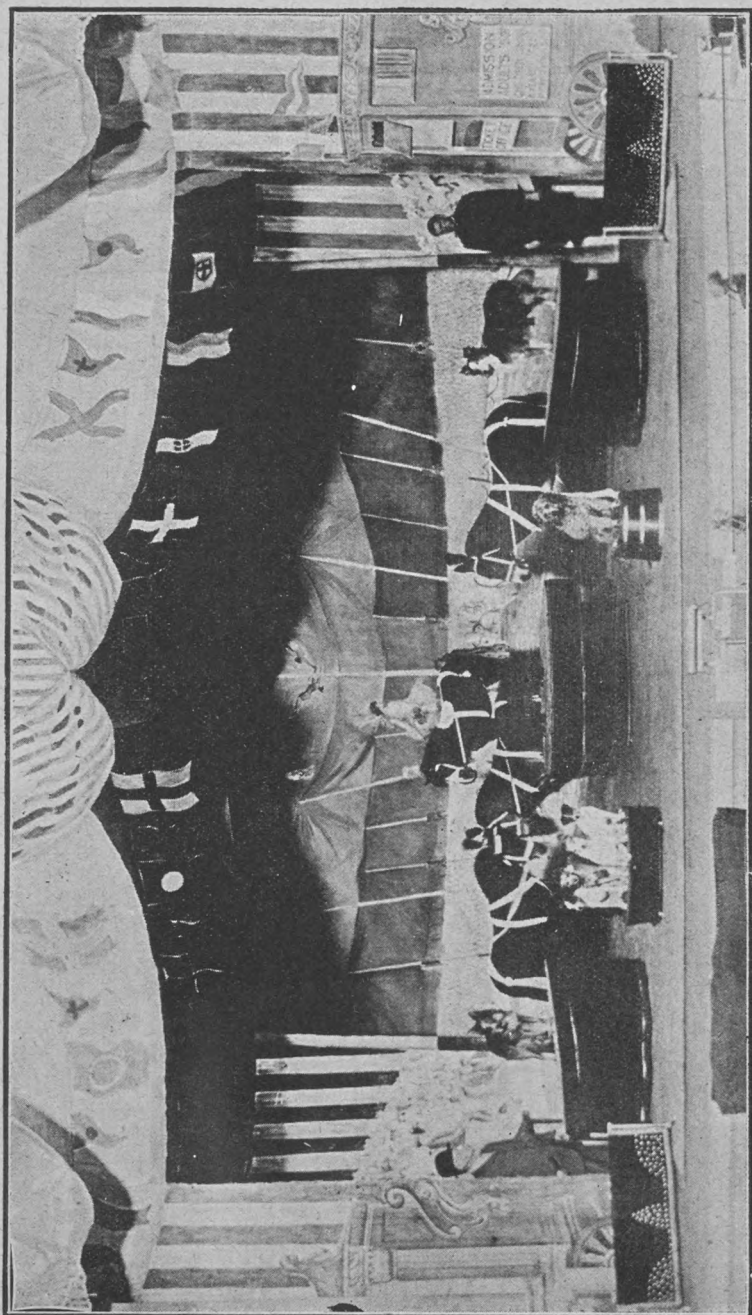

#### Horse Races

Over \$10,000 is hung up for prizes and purses, and with the increased interest being taken in outdoor sports it is anticipated that our races will attract large crowds at the 1919 summer Exhibition.

# *Big Victory Program*

Fink's Comedy Mules

The Flying Codonas

Choy Ling Hee Troupe of Chinese

#### Automobile Races

Conducted by J. Alex. Sloan, in which the contestants are the most famous dare-devil drivers on the American continent; these are real races—the cars used being specially built by the various automobile companies to demonstrate their speed and durability, and each driver firmly believing that his make of car is the speediest and most reliable. In addition, the keen perception and quick wit of the driver in “awkward corners” and his earnest endeavor to get the best out of his machine, make for very thrilling automobile races.

## Sousa and His Famous Band—Every Day

Lieut. John Philip Sousa and his Famous Band, including fifty-eight players and two lady soloists, will give a programme in front of the grand-stand every afternoon and evening; this is the first appearance of this world-famous band in the Canadian West.

**H. BENNE HENTON**  
CHAMPION SAXAPHONE  
PLAYER OF THE WORLD  
*with*  
**SOUSA'S BAND**

No man in the world of music has had so extensively advertised a personality as Lieut. John Philip Sousa. He and his music have become famous in every part of the globe, and he has long since become an American institution. It is no exaggeration to say that he is known as the greatest band man in history, and his Band is recognized as the leading body of instrumentalists in the world. Sousa and his Band have done, and are doing much to promote musical interest, for they present programmes containing compositions which would never be heard in many localities if the celebrated leader and his men did not make it possible. There will be several of these numbers produced when Sousa and his Band appear at the Edmonton Exhibition, July 7-12.

### Other Features

Many other attractions are being planned for the summer Exhibition; some of these have not yet assumed concrete form; it is confidently expected, however, that EXHIBITIONS OF AVIATION by local returned aviators, with German machines to their credit, and with passenger-carrying machines, will be made daily. If the proposed arrangements are completed, the machines will be furnished by the Curtiss Aeroplane Co., of New York, under control and management of Gale Brooke, of Minneapolis—who is well-known to Edmonton Exhibition visitors. Captain May, of Edmonton, and Lieut. McCall, of Calgary, will “aviate” and do all the stunts and provide all the spectacular effects known on the Western War Front.

### Merry-Go-Round—Old Mill—Roller Coaster

A Merry-go-round has been installed in the new section of the grounds, and it is hoped that, with the Old Mill and Roller Coaster which have been in operation at previous exhibitions, that sufficient interest will be taken by the public in these devices to make practicable their operation during the entire summer.

### Johnny J. Jones' Shows on the Midway

These famous shows were in operation at the 1918 Exhibition, when all were pleased with the clean, healthy form of entertainment provided. The forty-car show of last year has been increased to eighty cars this year, making necessary a new allotment of space to take care of the increased equipment. It is also the intention of the management to so plan their programme that a certain number of shows will always be in operation—thus obviating the tedious “waits” prevailing under the old system of playing only when a crowd has gathered.

### The Trapshooting Tournament

Arrangements have been made with the Edmonton Gun Club to put on a two-days' tournament. The traps will be installed in the new part of the Exhibition grounds. The tournament will be the largest ever held in Western Canada, between 100 and 125 contestants being expected; the championship of the West being decided at this shoot. The traps will be in use for practice purposes each day and anyone wishing to try his hand will be heartily welcome. A thoroughly competent instructor will be in attendance. The tournament will be shot on Friday and Saturday. \$1,000 in added money is offered. If you are a shooter write to the Manager for a programme of events.

# CAMPING GROUNDS

## DEPARTMENT SEVENTEEN

We have this year extended our grounds to include the sixty-five acres immediately south of the Exhibition grounds. This includes a beautiful park covered with trees, which we are laying out in numbered lots for the benefit of automobile parties from outside points. We have also arranged with a tent company so that campers may, at a moderate price, rent a tent, tables, chairs, cots, and mattresses. It will be necessary to bring your own dishes and bedding.

We believe that many would bring their families to the Exhibition if it were easier to find accommodation during Exhibition week, and we have adopted this plan as one of the methods of solving the problem. It would be well to write us as soon as you make up your mind to come, so that we may have some idea of the number of people we will have to take care of.

All persons remaining on the grounds over night must provide themselves with proper admission tickets.

Arrange to be with us this year and bring your family. Get up a neighborhood camping party. Drive through in the car. You will get acquainted with other good families from all over this district, who will be camping in the grove. This will be an annual feature of the Fair. Don't fail to come.

# GATE, GRANDSTAND AND ADMISSIONS

## DEPARTMENT EIGHTEEN

Director in Charge, O. Bush

All Fair admissions exempted from war tax by the Alberta Government.

There will be no reserve seats in the Grandstand except Boxes this year.

### Admission to Grounds

The gates will be open to visitors from seven o'clock a.m. to eleven o'clock p.m. each day.

The price of admission for the afternoon will be 50 cents, evenings 25 cents, each time of entering. Entrance to Grandstand 50 cents for adults and 25 cents for children.

Vehicles will be charged for each admission or a season ticket (not transferrable) can be purchased. All cars must strictly keep within the area laid out by the Director of Traffic.

Drivers delivering goods on the grounds before 10 a.m. will be admitted free. Delivery vehicles must enter the grounds by the Willow Avenue gate.

Necessary attendants upon stock will be furnished with special tickets by the owners applying at the Manager's office on the grounds. These tickets will bear the names of the persons to whom they are issued, and if presented by any other person will be forfeited.

No attendant's ticket will be issued to any exhibitor whose entry

fees amount to less than two dollars, but such exhibitor may purchase an "Exhibitor's" ticket for one dollar.

Judges and members of the Press will be furnished with tickets and badges, the badges being intended only as a means of showing their official connections with the Exhibition, and **not for the purpose of securing admission to the grounds.**

Parties bringing exhibits to the grounds at the proper time will be admitted with same by the entry ticket accompanying exhibit; **but afterwards such persons must be provided with regular tickets as above, or they will have to pay the regular admission fee.**

All persons remaining on the grounds over night must provide themselves with proper admission for the following day.

## **RAILWAY TRANSPORTATION**

### **DEPARTMENT NINETEEN**

**Superintendent, W. C. Shand**

The Superintendent of Transportation, whose office is located beside the Railway Platform, will be prepared to quote lowest tariff rates and to bill freight for shipment (at the close of the Exhibition) to any point, a facility every exhibitor will appreciate.

#### **Consign Your Livestock**

Consign all carload exhibits to the Exhibition grounds to avoid delay in switching. All exhibits can be unloaded from cars on the grounds.

#### **Transportation of Exhibits**

On exhibits originating outside of Alberta, the exhibitor will be expected to pay his own freight and no refund will be made by the company.

Exhibits should be billed to the exhibitor at Edmonton, at full single rate, and if they do not change hands and a certificate to this effect is obtained from the Manager, the railroads will return their exhibits free. (The railroads do not include race horses in this arrangement.)

The Exhibition will refund one-half of the proper freight charges on exhibits of horses, cattle, sheep, and swine originating in Alberta attending the Edmonton Exhibition if the following conditions are complied with:

The exhibits must be sent by freight, the cheapest way. Refund will be based on lowest rate which could have been obtained, carload or less than carload. Where palace car is used refund will be based on the regular rate only, not the additional charge for palace car.

The Exhibition company claims the right to have exhibitors shipping from the same station combine their shipment in one car, if the exhibits will go in one car.

No refund will be made, however, on exhibits which, although duly entered, do not actually compete in their class. No refund will be made on exhibits which are sold before leaving the Edmonton Exhibition grounds, but if only a portion of the exhibit is sold, a proportional refund will be made on the part of the exhibit not sold. No refund will be made on account of fare of man in charge of less than carload shipment.

Exhibitors desiring a refund of freight charges should make prompt application for the same to the Manager, and must **produce railway's receipt for amount paid.**
